PURSUIT

Pursuit Series auto trailers are designed and built by Pace American, the nation's premier enclosed trailer company.

Pursuit is designed for the racer or auto hauler looking for exceptional quality, value, and style. Standard features like automotive style weather-stripping, patented dust-proof sidewalls and treated no-rust fasteners show attention to even the smallest details.

A standard five-year limited warranty reflects our commitment to quality construction materials and manufacturing techniques refined by over 20 years of experience. Pace American is the recognized leader in automotive trailers with industry-leading customer service at our nationwide network of over 400 dealers.

Our on-site TrackSide Service program at select racing events is proof that with Pace, you're on the winning team.
