

SHADOW GT

SHADOW GT

The most popular motorsports trailer in America, Shadow GT(tm) is the best looking flat-top auto hauler you can own. Racers from coast-to-coast who want an auto trailer built for the rigors of a long race season choose Shadow GT(tm).

Standard features include a wide-body design, trailer-rated radial tires on Pace exclusive Enkei aluminum wheels, recessed heavy-duty ramp door rated at 5500 lbs with stainless steel swivel handles, polished cast aluminum front corners, LED exterior lighting, and patented dust-proof sidewalls to name a few.

No matter what your trailering need is - from weekend warrior to high mileage professional - when the road is your home, it's a good feeling to know you have Pace quality, support, and resale value behind you. The Shadow Series has earned this top-quality reputation through years of experience. We design, build, and use our trailers so that they work the way racers need them to.

At Pace, we build and support our product with a credible honest, fast and fair 5/3 year warranty to keep you on the road. Contingency sponsorships and TrackSide Service also means we support our customers long after the sale.

If you're looking for the best, follow our Shadow.
